The Arizona State University Sports Hall of Fame was established in 1975 to honor the school's most distinguished student-athletes in all sports.

The Hall of Distinction, recognizing outstanding contributions from coaches and administrators, was inaugurated in 1982.

Plaques describing the athletic achievements of each inductee are displayed on the concourse level of the Wells Fargo Arena in five separate exhibit areas. It is open for public viewing during normal University hours and during all events.

Athletes enshrined in the Hall of Fame are chosen by the Hall of Fame selection committee, composed of administrators, staff faculty, and people close to the University's athletic program.
