

Notes on the selection process for 2007

The normal selection process was run two separate ways. It was run once without including any relays or relay lead-offs from either the ACC or Big12 conferences. It was then run again including all times from the ACC and Big12 Conferences. The 'Invited Time' was obtained by the SLOWER of the two processes, on an event by event basis. Once the 'Invited Time' was known, ANY entry that was EQUAL or FASTER than the 'Invited Time', was accepted as an 'Invited Athlete'.

Coaches: Remember your athletes must swim at least one of their invited events.

Alternates: Due to the extra athletes being invited to the Championships, no alternates will be selected.
