TEAM HISTORY

TRADITION

Arizona State THIS IS ASU!

GRADUATES

The number of students graduating from ASU – 12,821 in the 2004–05 academic year – has grown by more than 1,000 over the last two years.

MAIN CAMPUS

The Arizona State main campus is located on 722 acres in the heart of downtown Tempe and just minutes away from the busy nightlife of Mill Avenue. With its shady malls, cool fountains, and lush plantings, Arizona State's campus has long been known as an "oasis in the desert."

DEGREE COURSES

ASU's Main Campus offers more than 100 majors through eight colleges, 104 bachelor's degree programs, 94 master's degrees, a highly regarded law degree and nearly 50 doctoral degrees.

P.F. CHANG'S MARATHON

Arizona State University has joined with the City of Tempe to form the finish line for P.F. Chang's Rock 'n' Roll Arizona Marathon & 1/2 Marathon through the first two years of the race. The inaugural event put on by Elite Racing in 2004 featured 29,434 participants. The 2004 event broke the world record for the largest, first-time, annual running event. 50 bands lined the course and played live music at every mile along the course.

SUN DEVILS GIVING BACK

Since 1999, Sun Devil Phil Mickelson has donated \$230,000 from his Ryder Cup awards to support the "Golf: For Business and Life" course taught the Professional Golf Management program in the Morrison School of Management and Agribusiness. Mickelson has earned \$39,514,038 on the PGA Tour as of October of 2006.

AVP PRO BEACH VOLLEYBALL

The AVP Pro Beach Volleyball tour hosts the Tempe Open every April at Tempe Beach Park.

HORIZON NEWSROOM

Michael Grant, host of HORIZON, Eight's award-winning news program, prepares for an interview with Governor Janet Napolitano. ASU students work in the HORIZON newsroom and edit suites and on the Eight production crew.

- ASU ranks third nationally among public schools – and seventh overall – for the number of National Merit Scholars enrolled with more than 600 in 2006-07.

- ASU ranks in the top 20 for National Merit Scholars.

- The overall proportion of minority faculty at ASU reached a record 22 percent in 2005, the highest in the university's history.

- ASU has been named a Truman Honor Institution for having 13 Truman Scholarship winners since 1991.

- In the past 12 years, 29 ASU students earned Goldwater Scholarships,

the premier undergraduate award for science, math and engineering scholars.

- In 2005, 14 ASU students won Fulbright awards to study abroad, one of the best records for any public university. math in the last year.

- Since 1992, only Harvard and Yale have had more students selected for USA Today's ranking of the nation's top 20 undergraduates.

- Since 1994, three ASU students have won Rhodes Scholarships, and 10 have been awarded Marshall Scholarships.

NATIONAL MERIT SCHOLARS

ASU ranks fourth among public universities in the U.S. in the number of freshman National Merit Scholars. There are currently 532 National Merit Scholars currently studying at ASU.

BARRETT HONORS COLLEGE

The Barrett Honors College is recognized as one of the nation's best. Its 2005-2006 freshmen class had an average SAT score of 1,318 and included 155 National Merit Scholars. Almost 100 percent of students in the college who apply to medical and law school are accepted. The college was also named one of the nation's top honors colleges in Reader's Digest's 100 Best Issue.

AL MICHAELS

Longtime lead announcer for ABC's Monday Night Football and the current play-by-play voice of NBC's Sunday Night Football, Al Michaels is one of several prominent alumni to have attended Arizona State.

Life in **THE VALLEY**

2008 AND 2009 NCAA HOST

ASU will host a 2008 NCAA Sweet Sixteen in March of 2008 at U.S. Airways Center (home of Phoenix Suns) and a 2009 NCAA Sweet Sixteen at Cardinal Stadium in Glendale, Ariz.

PHOENIX CIVIC PLAZA

The Phoenix Civic Plaza convention center is undergoing a \$600 million expansion to triple its size as it hosts major conventions and trade shows. It will be 900,000 square feet upon completion of the expansion.

5TH LARGEST CITY

Phoenix is the fifth-largest city (with more than 1.5 million residents) in the United States and is within 500 miles of Los Angeles, San Diego, Las Vegas, Denver, Albuquerque and Hermosillo, Mexico.

US AIRWAYS CENTER

US Airways Center hosted the 2004 NCAA West Regional and will host it again in 2008.

MAJOR LABOR FORCE

Metropolitan Phoenix benefits from a labor force of 1.9 million people, larger than Denver and twice as large as Austin or Las Vegas.

EMPLOYMENT

According to the Greater Phoenix Chamber of Commerce, Phoenix's 5.3 percent employment growth in 2006 was the largest in the nation. The U.S. average was 1.4 percent.

FUN IN THE SUN

The Phoenix area boasts more than 300 sun-filled days per year and an average temperature of 72 degrees.

DREAM HOMES

The median cost of housing is \$255,000 and many of those homes are near the 200 golf courses in the area, while biking, hiking, boating and skiing are all available in a short drive. In fact, it is possible to snow ski and water ski in Arizona on the same day.

POPULATION

More than 50 percent of the population is between 18 and 54 years of age. The population of Phoenix is nearly five years younger than the national median age of 36.2.

SKY HARBOR

Phoenix Sky Harbor Airport is the sixth-busiest airport in the world with an average of more than 1,300 daily commercial flights.

THE SPORTS SCENE

Phoenix is a sports fans dream, as the Phoenix Suns (NBA), Arizona Diamondbacks (MLB), Arizona Rattlers (Arena Football League), Phoenix Mercury (WNBA) and Arizona Cardinals (NFL) all compete in the Valley of the Sun.

2008 SUPER BOWL

The University of Phoenix Stadium in Glendale, Ariz., will host the Fiesta Bowl, the BCS first national title game on Jan. 8, 2007, and the Super Bowl in February of 2008.

Michael Crow
ASU President

Michael Crow became the 16th president of Arizona State University on July 1, 2002. He is guiding the transformation of ASU into one of the nation's leading public metropolitan research universities, one that is directly engaged in the economic, social and cultural vitality of its region. Under his direction, the university pursues teaching, research and creative excellence focused on the major challenges and questions of our time, as well as those central to the building of a sustainable environment and economy for Arizona. He has committed the university to global engagement and to setting a new standard for public service.

Since he took office, ASU has marked a number of important milestones, including the establishment of major interdisciplinary research initiatives such as the Bidesign Institute; the Global Institute for Sustainability; and MacroTechnology Works, a program integrating science and technology

for large-scale applications that includes the Flexible Display Center, a cooperative agreement with the U.S. Army. Under his direction, ASU has initiated a dramatic research infrastructure expansion to create more than one-million square feet of new research space and has announced naming gifts endowing the Mary Lou Fulton College of Education, the W. P. Carey School of Business, the Ira A. Fulton School of Engineering and the Virginia G. Piper Center for Creative Writing.

Prior to joining ASU, Michael was executive vice provost of Columbia University, where he also was professor of science and technology policy in the School of International and Public Affairs. Michael oversaw Columbia's research enterprise, technology and innovation transfer operations, strategic initiative program and interdisciplinary program development. He played the lead role in the creation of the Columbia Earth Institute and helped found the Center for Science, Policy and Outcomes (CSPO) in Washington, D.C., a think tank dedicated to linking science and technology to desired social, economic and environmental outcomes. In 2003, CSPO was re-established at ASU as the Consortium for Science, Policy and Outcomes.

Lisa Love
Vice President -
University Athletics

On Saturday, April 23, 2005, Arizona State University President Michael Crow selected Lisa Love of the University of Southern California to serve as the new Vice President for University Athletics. She began in that capacity July 1, 2005.

In June, prior to her ASU arrival, Love had planned to climb 14,162-foot Mount Shasta in northern California, adding yet another accomplishment to an already impressive personal resume. But the opportunity to assume the athletic director's chair at ASU postponed those plans, perhaps to another year. A trailblazer her entire career, Love

is now poised for the most challenging and fulfilling climb of her professional life.

Love became ASU's 21st athletic director (17th full-time) after taking over for Christine Wilkinson, who is a senior vice president for the university and had been serving as interim athletic director since April 8. Former athletic director Gene Smith left the university April 8 for a similar post at The Ohio State University.

Love moved part-time into administration in 1991, then full-time after the 1998 season. She became a Senior Associate Athletic Director in 2002.

At USC she handled the day-to-day supervision of eight sports - including women's basketball, volleyball, tennis and men's and women's swimming and diving - and monitored all women's sports at the university. She was active in the department's strategic planning, gender equity, civil rights and NCAA certification issues and she served on the NCAA Management Council. She also served two stints (1992 - 1993 and 2001 - 2002) as vice president of the Pacific-10 Conference.

As a coach, Love was a master teacher at the pinnacle of her profession. She compiled an impressive 404-171 as a college head coach for 17 seasons at Texas Arlington (199-78 from 1982-88) and USC (205-93 from 1989-98). At USC, she led the Trojans to nine NCAA tournament berths and eight finishes in the national Top 15. She was selected as the Pac-10 Co-Coach of the Year in 1997.

She was national Coach of the Year in 1988 when Arlington went 30-4 and fell one win shy of the Final Four.

A tremendous athlete as volleyball player in her own right, Love is also a member of the Texas Tech University and Texas Arlington athletic Halls of Fame. As a student-athlete, Love was a four-year volleyball starter and an all-region performer at Texas Tech. She earned a bachelor's degree (1978) in physical education from Texas Tech and a master's degree (1985) in education administration from the University of North Texas.

Love also compiled a 79-40 record as head coach at Bowie High School (1978-82) in Arlington, Texas.

Love also mentored some of the finest volleyball coaching talent in the nation. Among her proteges are head volleyball coaches at Texas (Jerritt Elliott), South Carolina (Nancy Somera), New Mexico (Kelley KcKee), Indiana (Katie Weismiller) and Idaho (Debbie Buchanan).

ASU President Michael Crow said Love brings qualities and experience that will carry ASU's Athletic Department to championships and excellence.

Love said her experience and President Crow's vision for the university will serve as her foundation as she steps into her new role at ASU.

Love plans to establish model programs at ASU by embracing the traditions of ASU and aggressively pursuing championships.

Community members and university representatives applauded the selection of Love as ASU's new Vice President of University Athletics.

At ASU, Love serves as the senior administrative officer of the university's athletic program and reports directly to Crow. The program features 12 women's and 10 men's sports, including men's and women's basketball, golf, swimming and diving, tennis, track/field and cross country; women's gymnastics, soccer, softball, volleyball, and water polo; baseball, football and wrestling.

Love is responsible for the management and development on one of the finest and most comprehensive athletic physical plants in the nation at ASU, playing host to nearly 1 million patrons each year. ASU's athletic staff includes more than 180 full and part-time coaches and administrative and support personnel who provide services to about 500 student-athletes.

Love has two sisters, Shannon Goddard and Debbi Dalton. Her parents are Tom and Jeanne Love of Arlington, Texas.

Sun Devil Media Relations Office

Under the supervision of Associate Athletic Director for Communications Mark Brand; Media Relations Director Doug Tammara; Assistant Sports Information Directors Kerry Howe, Randy Policar, Steve Rodriguez and Alex Ryan; graduate assistant Joe Healey; and a staff of undergraduate student interns, the Sun Devil media relations office strives to serve as intermediary between Sun Devil athletics and the media and general public in the most cooperative and professional manner possible.

Credentials

Members of the media that would like to cover the Sun Devil track and field home meets should contact Alex Ryan to request credentials (contact information is below).

Photographers

Access to the track's infield during meets will be permitted during specific times of the meet. Photographers will check with Alex Ryan on the day of the meet for restrictions.

Mid-Week Interviews

The team practices by event group throughout the week with times of each practice varying. Media members should contact Alex Ryan at least one day in advance to set up a time for interviews.

Post-Meet Interviews

Upon completion of the meet, all members of the Sun Devil program, as well as the coaching staff, will be made available to the media for interviews. Due to the late end times for home meets, interviews may be scheduled during the meet. Those members of the media wishing to interview an athlete before the end of the meet will contact Alex Ryan at the results trailer at the end of the track.

- The 28th Sun Angel Track Classic presented by Coca-Cola (April 12-14)
- The Double Dual with Arizona and Northern Arizona (April 28)

For the second year in a row, a larger high school section will be part of the Sun Angel meet with preliminaries and a few finals being held on April 12-13 with the finals of the remaining events being conducted the same day as the collegiate races (April 14). Individual, unattached athletes also have the opportunity to compete in the first three meets of the season, as long as they meet qualifying standards, while the Double Dual is only for the three collegiate teams. The qualifying standards used are the same as the NCAA Division I Regional meet qualifications (see page 64).

Meet Event Schedules and Registration

For detailed event schedules for each meet, including possible start times and order of events, visit the track & field page on thesundevils.com and select the Home Meet Information link on the right side of the page. Prior to each meet, heat sheets will be posted there as well as complete results at the conclusion of the event. The same page also will contain detailed meet information as well as links to the Direct Athletics web site where on line registrations are accepted.

Sun Angel Stadium is the host to several home meets each year, including the annual Sun Angel Track Classic.
