

Kids! Don't miss out!

Sparky Kid's Day at ASU!

SUNDAY, NOVEMBER 22, 2009, 9:30AM - 1PM

ALL JUNIOR SUN DEVILS ARE INVITED TO ATTEND!

Sparky Kids Day will take place on **Sunday, November 22, 2009**. ASU coaches and student-athletes would like to invite all Junior Sun Devil Club members to participate in this free event. We will conduct two sessions of instructional clinics with student-athletes and coaches and the final session will be a fun-filled event which includes lunch, autograph signing, face painting and carnival-type games. The clinics will be held at the individual sport venues. The final session will be held at the football practice field.

Due to NCAA rules and in-season competition, not every sports team will be able to participate in the sport clinics but all look forward to participating in the final session. The teams that are able to participate are Football, Golf, Gymnastics, Soccer, Softball, and Tennis. In complying with NCAA rules, we are inviting children from **5 years old through 8th grade** to attend the clinics. The final session will be open to anyone 8th grade and younger. Parents are welcome to view all sessions.
