rizona State Baseball has made a habit of going to Omaha and the College World Series. Since varsity baseball started in 1959, Sun Devil baseball has made 18 trips to Omaha and has won five national championships (1965, 1967, 1969, 1977 and 1981). Each year, the Sun Devil Baseball team is in the hunt for the national championship and looks to return "Back Home to Omaha."

the Arizona State baseball program has scored in an NCAA record 501 consecutive games, dating back to the 1995 season. All 501 games are listed in the background. ASU is a combined 333-167-1 during the streak. The Devils made history on April 7, 2001, when they scored at least one run in their 350th consecutive game. ASU broke the 12-year-old NCAA record in a 5-1 loss to USC exactly six years to the day after they were last shut out. ASU was shut out, 9-0, in that game on April 7, 1995 at Dedeaux Field. The Devils are also seventh in the record books after a stretch of 278 games without being shut out from 1990 to 1994—meaning the program has only been shut out in three games dating back to the 1990 season.

Notable pitchers the Devils have faced during the streak include: Mark Prior (USC), Jeremy Guthrie (Stanford), Barry Zito (USC), Kirk Saarloos (CS Fullerton), Ben Diggins (Arizona), Adam Johnson (CS Fullerton), Ryan Drese (Cal), Jeff Weaver (Fresno State), Chad Hutchinson (Stanford), Josh Fogg (Florida), Abe Alvarez (Long Beach State), Chad Cordero (CS Fullerton), Ryan Wagner (Houston) and Adam Pettyjohn (Fresno State).

- Arizona State has finished in the Top 12 in the national rankings in four of the last seven years and has been ranked for 79 consecutive national polls dating back to the start of the 2000 season. ASU has never been ranked out of the polls during the current decade, and is a combined 172-70-1 during that stretch. ASU has the 10th best winning percentage of all Division I schools this decade (.710).
- In a recent ranking provided by *Boydsworld.com*, the website dedicated to college baseball rankings and RPI, the Arizona State Baseball program ranked No. 9 in the nation for sustained excellence over the past three and five years. The ranking is a direct reflection of the strength of the recently departed recruiting class (the three-year ranking) and the strength of the program in general (the five-year ranking). The rankings are the result of a system of calculations designed to properly weigh a team's winning percentage and strength of schedule, while taking inter-regional play into account.
