Quoting Murph [11th year head coach Pat Murphy talks about ASU's series sweep of Wright State and the upcoming Pac-10 games]

"This is a series we should have won convincingly and we went out there and did that. Wright State had some quality wins early in the season and we knew we would have to go out there and play well. It is easy to overlook these types of games coming off an intense series at USC and with another Pac-10 series coming up next weekend. It was nice to see our younger players get a chance to play and contribute. I thought we pitched well and played excellent defense. Guys like Rocky (Laguna) and Seth (Dhaenens) continue to really add a spark to our offense. We have a tough series coming up on the road at Cal and every weekend in the Pac-10 is going to be a battle."
