

Stony Brook Quotes

#4 Stony Brook 4, #2 Vanderbilt 9

Stony Brook Head Coach Matt Senk

On playing in the regional:

Arizona State and Vanderbilt are tremendous teams and it was an honor to compete against them. I'm very proud of our team.

On the turn-around between games:

It is always difficult to play the night game, especially with the energy we expended. That inning started off so great and then it turned around so quickly and ended horribly. We've been a resilient team all year. I think we were ready to play but we didn't have enough.

Pitcher Gary Novakowski

On pitching:

I felt good going into the game. I had a big challenge with Vanderbilt. They are highly ranked. I was excited to go into there. They are an awesome hitting team. A good team in general.

On making a triple play:

Apparently I caught it. I know he was going to bunt. I dove for it and I knew I had to make a play. The other runners moved up. It was an awesome play.
