

## **Vanderbilt Commodore Quotes #2 Vanderbilt 5, #3 Oklahoma 8**

### **Vanderbilt Head Coach Tim Corbin**

*On the sixth inning:*

“It affected the outcome of the game but it didn’t determine the game. We still got two runs out of it. I thought we had some momentum, at least until the point to where we could come back and capitalize the next inning. We really didn’t. Once that inning was over, until the seventh, we didn’t get anything going.”

### **Center Fielder David Macias**

*On competing in the losers’ bracket:*

“We’re ready to go tomorrow. There is still another ball game. We’re not thinking about going to the losers’ bracket. We’re still taking it one game at a time.”

### **Pitcher Caleb Cotham**

*On pitching:*

“I felt pretty good. I just tried to compete and battle. I tried to get some balls in some holes. I left it all out there so I can’t really complain.”
