**FRIDAY QUOTES – Texas A&M**

Curtyce Knox, Texas A&M Sophomore Guard:

**On how she thinks Texas A&M will do in the tournament this season:** "After the last few weeks of practice we've been picking it up. Everybody has new roles because Jordan (Jones) is out. Everybody has to step up. I think we've been stronger in practice and I think we're ready for the game."

**On how she feels in her new role, starting in place of the injured Jordan Jones:** "I struggled at first and it was kind of hard. I've talked to her (Jones), I've talked to Coach (Gary) Blair and I've watched a lot of film. I've picked it up and I'm feeling good."

**On Texas A&M's opponent on Saturday, UALR:** "Watching them on film, I feel like we know their offensive stuff is very hard to guard, but we've worked on that a lot. Defensively, I feel like if we take away some of their easy shots and limit their points off of turnovers, then we should win."

**On whether or not she is nervous about the big stage:** "No. I'm just going to make the best of it."
