POSTGAME LOCKER ROOM QUOTES – UALR

Kaitlyn Pratt, UALR Sophomore Forward:

On the key to UALR's win: "I think the key was staying together as a team and playing hard defense. We are a defensive team, so we just played some quality defense."

On what needs to be improved to be ready for next the round: "We need to watch film, take no one for granted and go out there and play defense like we did today. We need to box out -- we had some trouble with that today. We need to keep it simple and get rebounds and play defense."

Shanity James, UALR Junior Forward:

On the key to UALR's win: "I think the key was all defense. It was defensive effort. We kind of changed up the plan, in our conference we guard a lot of mid-range shooting team, but Texas A&M was more of a three-point shooting team – they gave us a different look."

On what needs to be improved to be ready for the next round: "We just need to watch film and do what we have been doing all season -- practice hard and stay mentally prepared. We can always make improvements but I think as long as we keep our defense intact and move the ball on offense, like we have been doing – I think we will be alright on Monday."
