SUNDAY LOCKER ROOM QUOTES – UALR

Shanity James, UALR Forward:

On the team focus to prepare for tomorrow: "Mainly defense, they have some big posts and they rotate a lot of people, so we are trying to focus on knowing who does what and how to stop them."

On team changes to prepare for the Sun Devils: "Kind of playing our game, we don't really let anyone change us and we are going in with a defensive mindset."

On team strengths and how they are going to use them to defeat ASU: "I think we're strong on defense -- I think we get a lot of stops. Even with them being big, I think if we box out we can get a lot of the defensive boards and stop them from taking second chance shots."

Alexius Dawn, UALR Guard:

On the team focus to prepare for tomorrow: "We are focusing on our defense and how we plan to stop them. We plan to execute whatever Coach (Joe) Foley tells us to do."

On team changes to prepare for the Sun Devils: "We are a defensive team, so we are going to go hard on the defensive end."

On team strengths and how they are going to use them to defeat ASU: "We are strongest on the defensive end. We are going to push to get in transition whenever we get a rebound."
